

# Kastalon Polyurethane Building Material Industry Rollers

*The superior wear and tear resistance of Kastalon polyurethane will outlast traditionally used components by 4-5 times, drastically reducing maintenance.*

## Building Material Industry Rollers and Component Parts Made to Your Exact Specifications

### Replacement Parts for the following Equipment:

\*Asphalt Shingle Mfg Equipment    \*Concrete Backer Board Mfg Equipment  
\*Gypsum & Drywall Mfg Equipment    \*Siding & Gutter & Downspout Mfg Equipment

### Your One-Stop Roller Shop

We're able to Regrind or Recover and Repair or Replace Roller Cores and Roller Covers. We can handle rollers up to 72 inches in diameter and 28 feet in length.

### Custom Surface Finishes Available

Stone Ground, Polished, Spiral and Herringbone and Diamond Groove Patterns as well as other surface finishes available on request.

### Tight Tolerances and Profiles

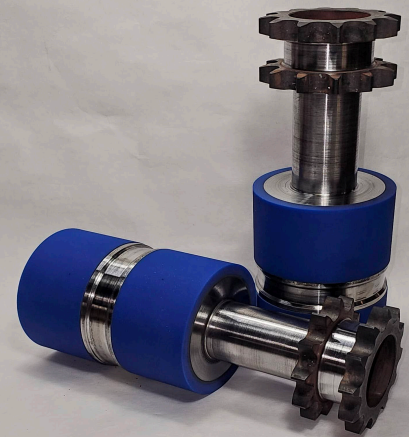

Kastalon's tight tolerances and specific profiles are done with ease on one of our CNC machines. We are ISO 9001:2015 certified, delivering quality workmanship with each and every part we manufacture.

### Meet Your Deadlines

Our dedication to on-time delivery has allowed our customers to increase productivity and reduce downtime.
