Kastalon Crane Bumpers

Meeting all specifications of OSHA, CMAA, ANSI, and AIST, Kastalon Crane Bumpers have a highly engineered structure with no moving parts, require no maintenance and are much lower in cost than the alternatives. Unaffected by oil, grease, aging, temperature extremes, and dirt, they stand up to extreme environmental conditions. For detailed information, refer to the Kastalon Crane Bumper Engineering Guide or the Crane Bumper Calculator located at www.kastalon.com. All Prices shown are for single bumpers.
